## MESSAGE BY ABBETT.

New Jersey's Retiring Governor Reviews State Affairs.

No Floating Debt and No Matured Bonds Extant.

Recommendations for the Consideration of the Legislature,

TRENTON, N. J., Jan. 11.—Gov. Leon Abbetts is an annual message was read in both houses of the Legislature yesteroay, Gov.-elec: Werts will not assume office will jan. 17. When his inaugural address will be made Gov. Abbett, in his message, says:

"The state has no librating dath. The balance in the state Treasury at the close of the part his information was also men to the state targened to state has not librating dath. The balance in the state targened use of the part his information recited at length with arrangements, special appropriations, payment on the war debt and for other purposes, amount to \$1,636,351,00. There is due on the old war debt \$37,400, with more than sufficient assets in the possession of the State to pay this debt.

"There are assets in the possession of the State to pay this debt.

"There are assets in the possession of the State to pay this debt.

"There are assets in the possession of the State to pay this debt.

"There are assets in the possession of the State to pay this debt.

"The recovered and for other purpose, amounting to the sum of \$471, 122.70, and the state open 1.887 shares of the stock of the United New Jersey Institute.

"The recovered and the result may be close, the company to another Pennsylvania corporations by the length y value and order to show the length y value and order to show the length y value and the result may be close. The trace will be hard and fast.

The Charaction was also filed the and the furious and order to show the length y value and the adventure and the action of the large of the state has not provided and the result may be close. The trace will be hard and fast.

The charaction was also filed the and the action and order to show the state to pay this debt.

"The read of the trace of the state of

Statements of the condition of the Reform School for Boys. The loddistrial School for Griss and the Home for Feeble-Minded Women are presented, without any recommendations for legislation. The school at Vineland for leeble-minded entitlers is highly commended. The management of the State asylums at Trenton and Morris Plains is spoken of in terms of special commendation.

Gov. Abbett recites at length the history of the controversy between the authorities of the State and the Treasury Department at Washington relative to the establishment of a quarantine station lest Summer on Sandy Hook. He concludes his treatment of this toolc thus:

"The Emer me: at concludes the description of the State and the Treasury Department at Washington relative to the establishment of a quarantine station lest Summer on Sandy Hook. He concludes his treatment of this toolc thus:

"The Emer me: at concludes were badly damaged and Wakefield was declared the Winner."

Now Katle says she doesn't care a straw about the men and will have nothing to do with either.

toole thus:

"The United States authorities, against the protest of our State, determined to use Sandy Hook for quarantine purposes, but promised to do all in their power to remedy the other matters complained of by the Executive and the State Board of Health."

Considerable space is devoted to the report of the Geological Survey in reference to the reclamation of lands, increasing water supply, &c., and the recommendations of the Board are set forth in full.

A further appropriation in aid of the State's

A further appropriation in sid of the State's next few years of his life in State prison, mended.

abor involved in these saits, they have been advanced to their present status with mexampled colority.

Continuation of the life of the commission to revise the statutes concerning townships, towns and villages is recommended.

The message concludes thus of he legislature has crowned its work by the passage of the Ballot leform law, which gives secrecy and projection to their ballots, through which they are enabled to secure that representation in the Legislature to which they are enabled to secure that representation in the Legislature to which they are entitled. Under this law they may freely exercise their rights as citizens.

### LAW AND THE COAL COMBINE.

Attorney-General Stockton's Report of the Litigation Up to Date.

TRENTON, N. J., Jan. 10. - Attorney-General to Gov. Abbets in reference to the litigation on behalf of the State against the railroads concerned in the combine to control the price

Gen. Stockton recites that in February last in compliance with the Governor's request. be made efforts to obtain copies of the leanes and agreements of the companies combining to create a coal monopoly, but that all his efforts were ineffectual. April 18 following he began an investigation preparatory to proceeding against the combination. set for the Central road then furnished a copy of the lease and tripartite agreement.

An information was exhibited in the Court. of Chancery May 30 against the Central chester, N. H. Get Ho Railroad Company of New Jersey, the Port Hodding Railroad Company and the Phila-Reading Railroad Company, on fully prepared from the Best Ingredicuts.

which an order was issued requiring the de-fendants to show cause why an injunction should not issue. In the mean time, a pre-liminary order, commanding the defendants to desixt from carrying out the combination.

139.262.685 WORLDS IN 1892.

The amdavits and exhibits attached to th The affidavits and exhibits attached to the information fully established the charges. They were largely confined to the admissions of the defendants in repairs hado to the State Assessors, by the presidents of the roads to the stockholdes and to tostimony given tetore the New York Senate Committee. The object of the information was to have the lease and tripartite agreement mentioned declared to be intra vires and therefore youd on the ground of subdic policy in that they tended to create a monopoly is one of the necessaries of life.

The chancelor is an opinion filed Aug. 25, 1802, held that the lease was not only unauthorized but was expressly forbidden by law; that its effect was to create a monopoly in coar and a corporate excess of power. The Chancelor granted the desired injunction.
